

# THE ANATOMY OF *Dark Sky*

LUMINAIRES BY SPRING CITY

## ROOF MOUNTED LED ENGINE

Uses a patented Symphonic LED system that optimizes light output

## LED COLOR TEMPERATURE 2200 - 3000K

## FLAT LENS

Full cut-off,  
emits no direct  
light above 90°

## OPTICAL DIFFUSER

Frosted panel  
diffuses the LED  
light source for  
visual comfort

## NO VERTICAL PANELS OR GLOBE

Directs light  
downward to  
minimize sky  
glow and  
nuisance glare
